Free emergency alerts & a safety profile that helps first responders protect you

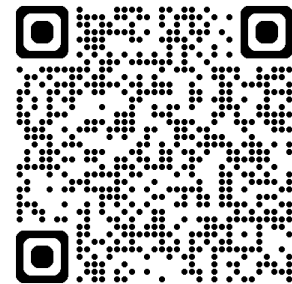

Smart911 lets Will County 9-1-1 send you alerts about severe weather, road closures, missing persons and evacuations — by text, call, email or app. It also lets you build a private **Safety Profile** that appears on the dispatcher’s screen the moment you call 9-1-1. **100% Free • Takes 5–10 minutes**

HOW TO SIGN UP

- 1. Scan the QR code or visit the website.** Point your phone camera at the QR code, or go to the sign-up link. Then tap Sign Up Today.
- 2. Create your account.** Enter your name and email, create a password, then select Create Account.
- 3. Add & confirm your address.** Type your home address and click Continue. Use the map to drop the pin in the right spot, then Confirm this Address.
- 4. Verify your phone number.** Add your phone(s) and confirm by text message or automated call so your profile reaches 9-1-1.
- 5. Complete your Safety Profile.** Add household members, medical details, pets, vehicles and emergency contacts — as much or as little as you like.
- 6. Turn on alerts & save.** Under Preferences, opt in to Will County alerts, pick text / voice / email, and Save. You’re done!

Especially important for households with: seniors, young children, or anyone with medical conditions, disabilities or mobility needs. You can also build a profile on behalf of a loved one and list yourself as their contact.
